EFW-CAN Agreement Form

The Board of Directors of the Equine Facilitated Wellness-Canada (EFW-CAN) believes that it is very important for all EFW-CAN members to understand and agree with the Association's ethics and principles. This will help to ensure that we are all working towards common goals, and upholding the same high standards of safety and wellbeing for both humans and equines in the field of equine facilitated wellness.

We ask that EFW-CAN membership applicants read the Principles and Code of Ethics sections of the website (www.equinefacilitatedwellness.org), and sign and return this agreement form. It can be mailed or faxed to the address above, or scanned and emailed to info@equinefacilitatedwellness.org

Agreement:

- I have read and understood EFW-CAN's principles and Code of Ethics as stated on the website (www.equinefacilitatedwellness.org).
- I agree with EFW-CAN's principles and Code of Ethics, and will abide by these as a member of EFW-CAN.
- As a certified EFW-CAN professional, I agree to work within the parameters outlined in my Scope of Practice document. (Check this box only if you are applying for certification or Grandparenting)
